Plaintiff has requested a second extension of time to contest removal of this matter from state court. Plaintiff has not given any indication for the basis for his opposition or any timeframe when he will obtain counsel to pursue this matter. The Defendants are unaware of any legal reason why this matter would not fall within the jurisdiction of the federal courts. Therefore, the Defendants request this court to either deny further motions for extension of time or, in the alternative, to grant only a short extension of time so that this matter can be resolved expeditiously.
